Same is faced in Property section

The screenshot shows the FAIRWAY Independent Mortgage Corporation website. The user is logged in as 'Test Loan Officer'. The 'Property' section is active in the navigation bar. The form asks 'My property is located at' and has a checked option 'Same as current Address'. The 'Street address' field is circled in red. Below it, the 'Zipcode' is '93401', the 'City' is 'SN LUIS OBISPO', and the 'State' is 'California'. An 'Okay' button is present. To the right, a sidebar contains information about the location of the property and a disclaimer about the loan officer's license.

My property is located at

☒ Same as current Address

Street address

Zipcode
93401

City
SN LUIS OBISPO

State
California

Okay

I have a second mortgage or HELOC

Yes No

Location of the property helps us determine the best possible products for you, as well as ensure your application is accurately processed and meets required regulations.

Please be aware if your preferred Loan Officer is not licensed in the state in which you are intending to purchase or refinance, an alternate Loan Officer who is licensed in that state will be assigned and they will follow up with you regarding your application.

6. After successful income pull, below is the error shown to user.(Issue raised as part of last smoke test).

The screenshot shows the FAIRWAY website with the 'Income' section active. A message states 'No income has been added' with buttons 'I want to add income' and 'Don't have income'. A yellow banner at the bottom says 'We have successfully obtained your income information. If you wish to provide additional income information, you can do so manually.' with an 'Add it Manually' button.

No income has been added

I want to add income Don't have income

We have successfully obtained your income information. If you wish to provide additional income information, you can do so manually.

Add it Manually
